Default Question Block

UNC Immigration/Human Right Policy Clinic & ASISTA U-Visa Survey

This survey is conducted by law students of the UNC Law Immigration/Human Rights Policy Clinic taught by Professor Deborah Weissman and in collaboration with ASISTA Immigration Assistance. We are collecting information on law enforcement agency U visa certification practices around the country to determine the legal and policy implications of these practices. Please complete this short survey AS SOON AS POSSIBLE AND PREFERABLY **NO LATER THAN MARCH 18th**. It is a short survey and should take approximately 5-10 minutes.
